

NOTICE

PUBLIC PROCUREMENT COMMISSION

SUPPLIER REGISTRATION

The Public Procurement Commission (PPC) came into effect on April 1, 2019 and with its establishment, the National Contracts Commission (NCC) ceased to exist.

As a consequence, the registration of the Government of Jamaica (GOJ) Approved Suppliers of Goods, Services and Works is now being administered by the PPC.

Please note the following:

-  In an effort to promote continuity and minimise adverse impacts, which may be experienced by applicants, the registration of all Suppliers whose registration expired on or after 2019 February 01, is extended up to **2019 August 31**. Accordingly, Letters of Registration and Certificates may be collected at our Offices.
-  All current NCC registrations remain valid.
-  The application forms have been changed. Please download the relevant forms from this website.
-  The PPC will maintain operations from the following office location until further notice:

**The Integrity Commission
PIOJ Building, 1st Floor
16 Oxford Road
Kingston 5**

Please note that until further advised, the PPC will process applications for registration as follows:

Mondays, Thursdays and Fridays: 8:30 a.m. – 3:00 p.m.
